CAPABILITY STATEMENT

General Contracting · Renovation & Remodeling · Construction Management

OUR MISSION

Our dedication to excellence is reflected in every aspect of our service. We focus on clear communication, attention to detail, and timely project delivery. By understanding and addressing our clients' unique needs, we create customized solutions that result in high-quality construction outcomes. This customer-centric approach sets us apart in the industry and fosters long-lasting relationships with our clients.

ABOUT US

RTW Construction Partners provides our customers with an excellent product upon completion of every project. We pride ourselves on being Reliable and Trust-Worthy — the values at the heart of our name. We bring over 25 years of construction expertise and knowledge to the industry, having completed a wide range of projects across commercial, residential throughout the greater Atlanta region and across Georgia.

CORE COMPETENCIES

Vertical Building Renovation & Remodeling

Full scope interior and exterior renovations for commercial, institutional, and municipal facilities.

Project Management

End-to-end oversight from pre-construction planning through punch list and occupancy.

Procurement

Strategic sourcing of materials and subcontractors to optimize cost, quality, and schedule.

Scheduling

Critical path scheduling and short-interval planning to keep projects on time and fully coordinated.

Jobsite Quality Control

Rigorous QC programs including daily inspections, documentation, and third-party verification.
